HOSPITAL MANAGEMENT SYSTEM.

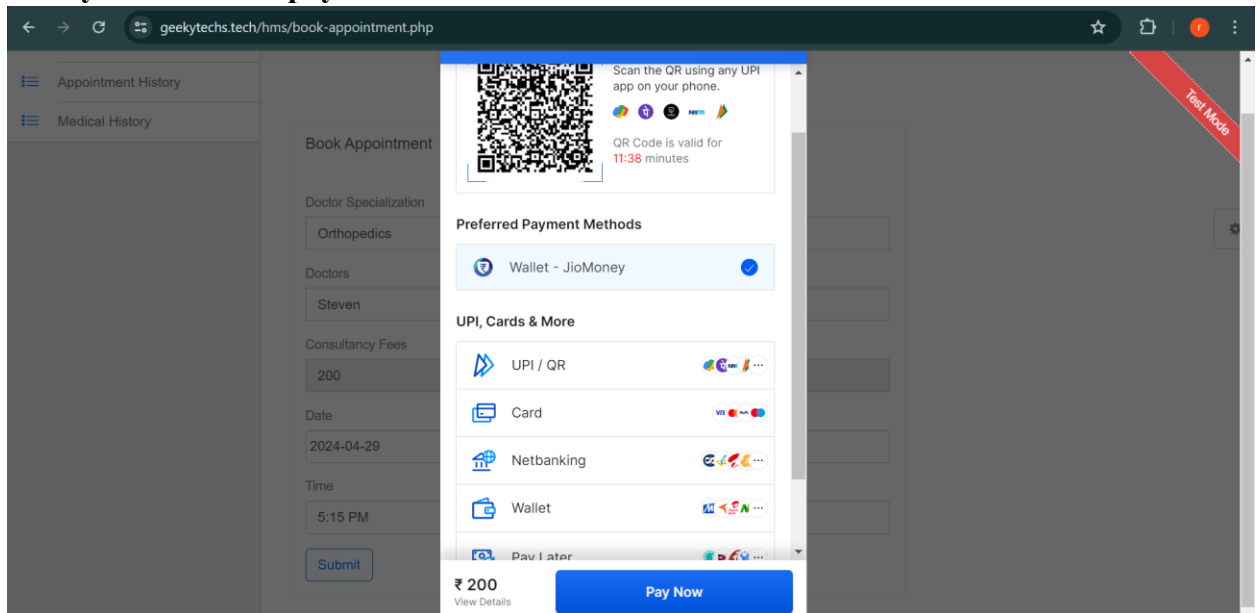

5. After login you can see Patient Dashboard

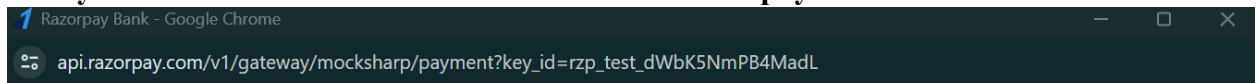

6. Click on book appointment select specialization and doctor as below because we have created that particular doctor so that you can login to doctor steven dashboard and check whether the appointment is there from his end or not.

7. After clicking on submit you will be navigated to payment page select wallet- Jio money then click on pay now

8. Now you will see below screen click on success to make payment succesfull

1

Welcome to Razorpay Software Private Ltd Bank

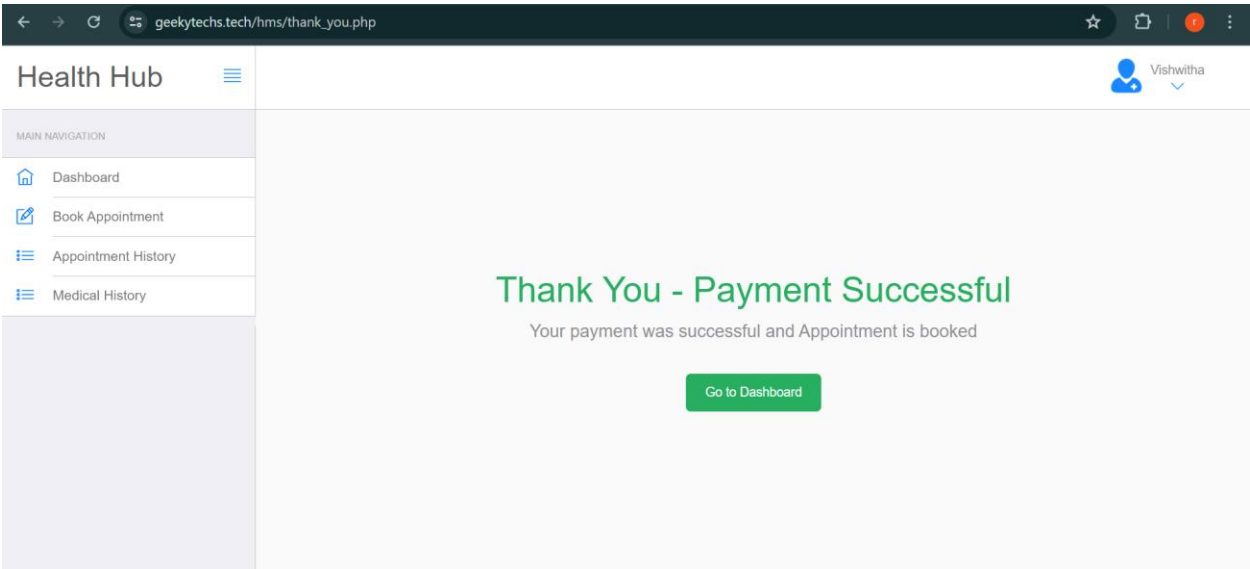

This is just a demo bank page.

You can choose whether to make this payment successful or not:

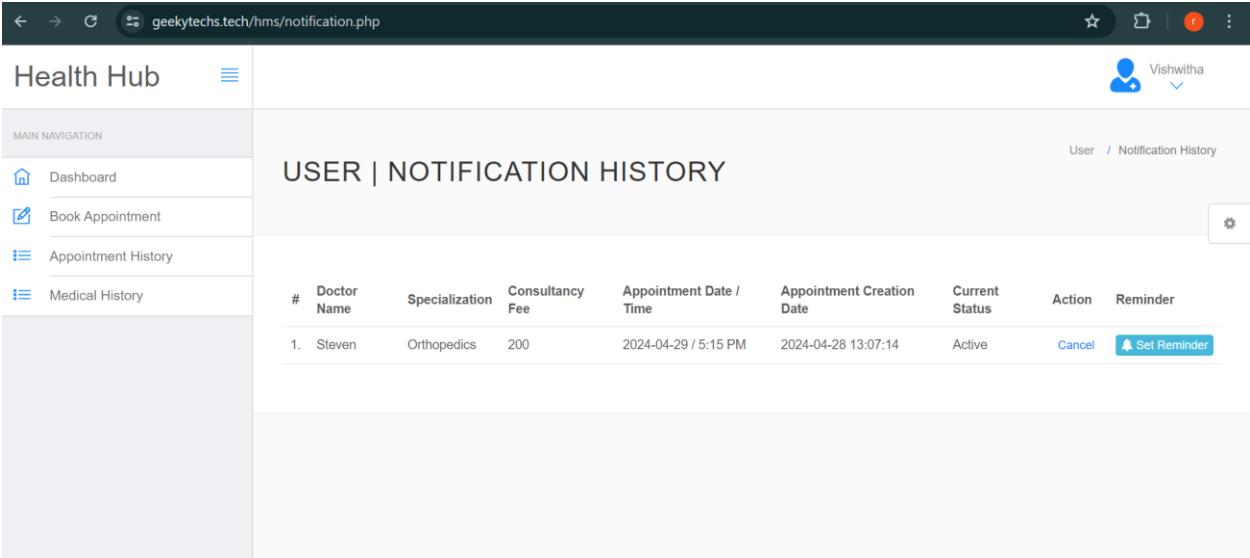

Success

Failure

9. Go to Dashboard

10. Click on notifications reminder

11. Click on set reminder and give email and phone number in pop-up window.

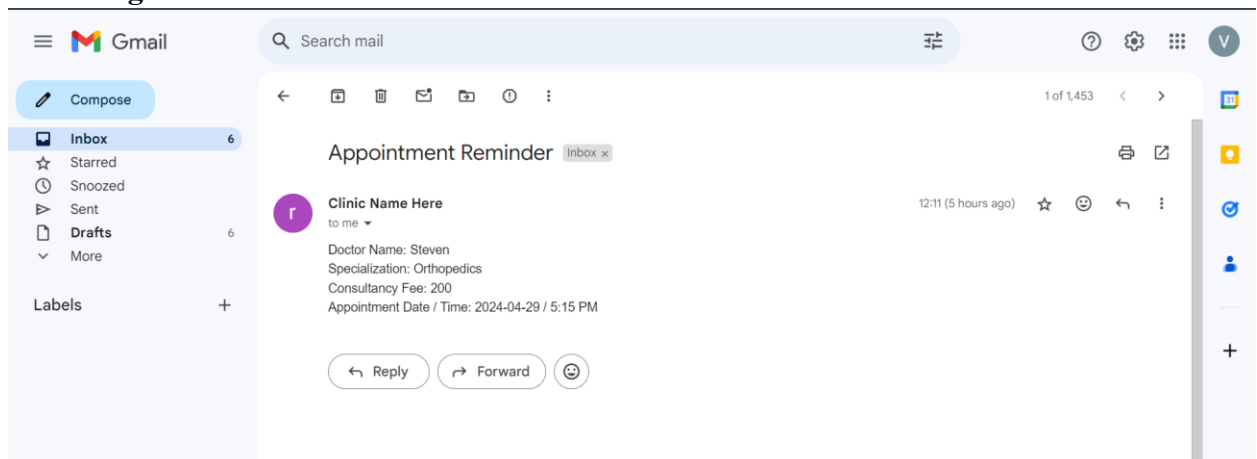

The screenshot shows a web application titled "Health Hub" with a sidebar navigation menu containing "Dashboard", "Book Appointment", "Appointment History", and "Medical History". A "Set Reminder" modal is open, displaying the following fields:

- Email Address:
- Phone Number:
- Submit button

In the background, a table lists appointment details for a user named "Steven". The table has columns for Doctor Name, Specialization, Consultancy Fee, Appointment Date / Time, and Current Status. The "Set Reminder" button is visible in the "Action" column for the first row.

#	Do	Na					Current Status	Action	Reminder
1.	Steven	Orthopedics	200	2024-04-29 / 5:15 PM	2024-04-28 13:07:14	Active	Cancel	Set Reminder	

12. You will get an email

13. Now logout and login again You can also see the appointment in appointment history tab

The screenshot shows the 'Health Hub' interface for a user named Vishwitha. The left sidebar contains a 'MAIN NAVIGATION' menu with options: Dashboard, Book Appointment, Appointment History (selected), and Medical History. The main content area is titled 'USER APPOINTMENT HISTORY VISHWITHA' with a breadcrumb 'User / Appointment History'. Below the title is a table with the following data:

#	Doctor Name	Specialization	Consultancy Fee	Appointment Date / Time	Appointment Creation Date	Current Status	Action
1.	Steven	Orthopedics	200	2024-04-29 / 5:15 PM	2024-04-28 13:07:14	Active	Cancel Set Reminder

At the bottom of the page, the text 'HOSPITAL MANAGEMENT SYSTEM' is visible.

14. Now login to doctor with credentials given above you can see appointment in appointment history tab in doctor's dashboard. If you are facing any issue try to logout and login again.

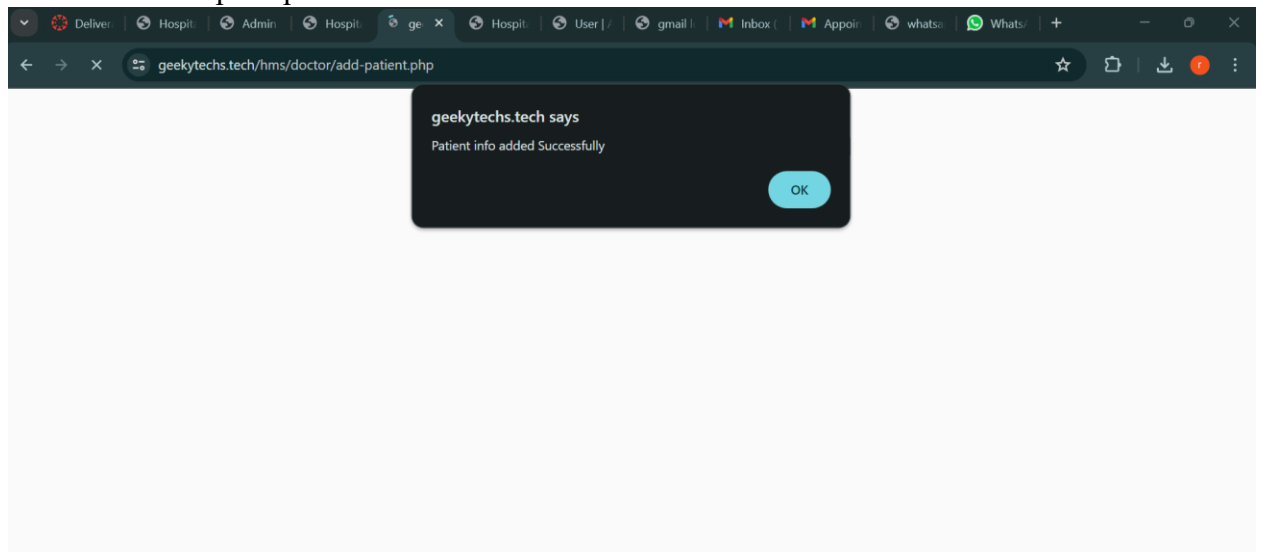

The screenshot shows the 'HMS' (Hospital Management System) interface for a doctor named Steven. The left sidebar contains a 'MAIN NAVIGATION' menu with options: Dashboard, Appointment History (selected), Patients, and Search. The main content area is titled 'DOCTOR | APPOINTMENT HISTORY' with a breadcrumb 'Doctor / Appointment History'. Below the title is a table with the following data:

#	Patient Name	Specialization	Consultancy Fee	Appointment Date / Time	Appointment Creation Date	Current Status	Action
1.	Vishwitha	Orthopedics	200	2024-04-30 / 10:15 PM	2024-04-27 18:15:33	Cancel by Patient	Canceled
2.	Vishwitha	Orthopedics	200	2024-04-30 / 10:15 PM	2024-04-27 18:16:08	Cancel by Patient	Canceled
3.	Vishwitha	Orthopedics	200	2024-04-30 / 10:15 PM	2024-04-27 18:18:35	Cancel by Patient	Canceled
4.	Vishwitha	Orthopedics	200	2024-04-30 / 10:45 PM	2024-04-27 18:32:41	Active	Cancel
5.	Vishwitha	Orthopedics	200	2024-04-29 / 5:15 PM	2024-04-28 13:07:14	Active	Cancel

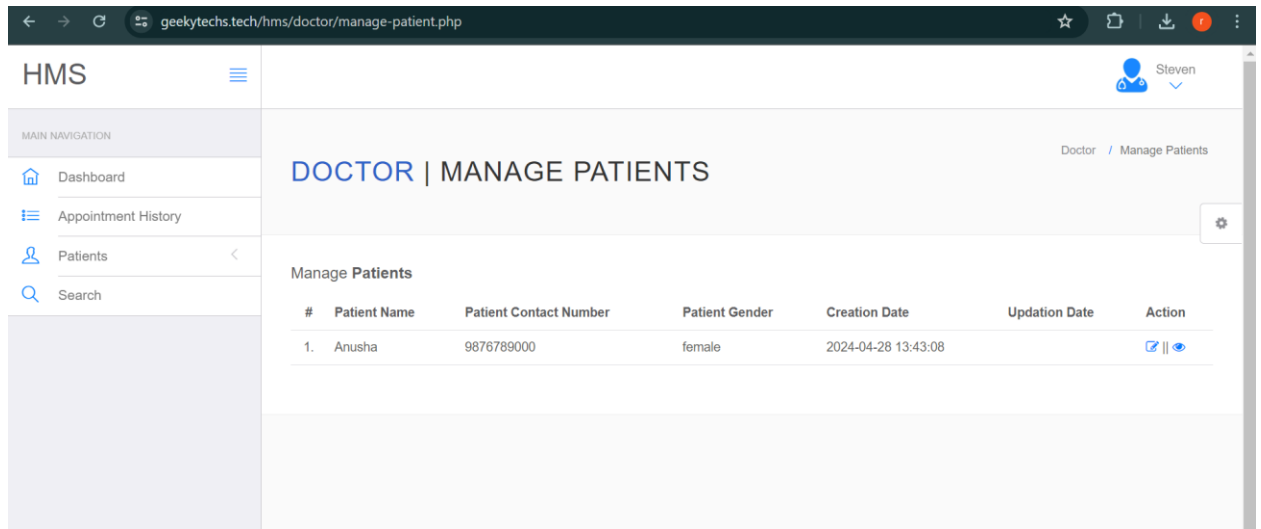

15. Doctor can add patient if he click on patient then select add patient and give the patient details

The screenshot shows a web browser at the URL `geekytechs.tech/hms/doctor/add-patient.php`. The page has a sidebar with 'HMS' and a 'MAIN NAVIGATION' menu containing 'Dashboard', 'Appointment History', 'Patients', and 'Search'. The 'Patients' menu item is selected. The main content area is titled 'PATIENT | ADD PATIENT' and includes a breadcrumb 'Patient / Add Patient'. A form titled 'Add Patient' contains the following fields: 'Patient Name' (filled with 'Anusha'), 'Patient Contact no' (filled with '9876789000'), 'Patient Email' (filled with 'Anusha@gmail.com'), and 'Gender'. A green message 'Email available for Registration .' is displayed below the email field.

16. You can see the prompt

17. Now go to patients on left side panel and manage patients to check whether it is added or not

The screenshot shows a web application interface for a Hospital Management System (HMS). The browser address bar displays `geekytechs.tech/hms/doctor/manage-patient.php`. The interface includes a left sidebar with a navigation menu containing 'Dashboard', 'Appointment History', 'Patients', and 'Search'. The main content area is titled 'DOCTOR | MANAGE PATIENTS' and shows a table of managed patients. The table has columns for '#', 'Patient Name', 'Patient Contact Number', 'Patient Gender', 'Creation Date', 'Updation Date', and 'Action'. One patient, 'Anusha', is listed with contact number '9876789000' and creation date '2024-04-28 13:43:08'. The 'Action' column for this patient contains an edit icon and an eye icon.

#	Patient Name	Patient Contact Number	Patient Gender	Creation Date	Updation Date	Action
1.	Anusha	9876789000	female	2024-04-28 13:43:08		 

18. Now doctor can click on eye mark under action to add medical history
